The Hampshire Dome
Emerson Road, Milford**

***Regional Business Expo
Showcasing all of Southern NH
& Northern MA
Special Opening Event at Noon***

We invite you to partner with the Souhegan Valley Chamber of Commerce and neighboring Chambers in bringing this exciting Expo to our communities. This premier Business/Consumer show is The Event for the region. The Hampshire Dome, largest indoor sports complex in northern New England is a “big draw” venue allowing for larger booths, better visibility, more demonstration/performance area. We expect over 200 vendors and 20 restaurants to participate. We will exceed last year’s attendance of well over 3000.

All sponsors are listed on our website, promotional pieces and press releases. The program with optional advertising is produced by **The Cabinet Press** as an insert to their four newspapers. Total distribution (circulation and drops) is approx. 45,000. Call or email us with your participation at the Southern NH Expo!
