Souhegan Valley Chamber Celebrates 20 Years Recognizes Outstanding Businesses, Leadership, Community Members

The Twentieth Anniversary Award Dinner on June 5 brings together Chamber members and friends, honorees and guests to celebrate the people, businesses and student leaders that make the Souhegan Valley communities shine. Gathering at the Alpine Grove Banquet Facility in Hollis, DJ Dave Alcox will match the spirits of the audience with music to get the celebration underway.

The Lafayette Artillery Company will signal the call to dinner by firing the cannon and presenting the flag to open our program. Cliff Harris, Chairman of the Board of Di-

rectors will be master of ceremonies for the presentations of the evening. The Chamber will honor the seven students chosen by their schools for Future Business Leader of 2008. Each student has demonstrated qualities of leadership in the clubs and activities that have a business-centered focus. Brian Cormier, Hollis-Brookline; Zachary Cook, Mascenic, Kayla Benuck, Milford, Landon Kowalczyk & Derek Walker, Souhegan High School and Jillian Jowders and Zach Rolke, Wilton-Lyndeborough will be present to receive certificates and their awards.

A Message from Chairman, Cliff Harris

Wow... Here is my last chance to write as the chairman of the Souhegan Valley Chamber of Commerce. What an honor it has been to be elected to this role. As I reflect over the past 2 ½ years, I am so thankful for the support you have given me and the Chamber. The executive board's support to try new initiatives has been instrumental in the development, promotion, and protection of the business and civic interests of the Souhegan Valley. And you, the members, have supported these initiatives through your generous contributions, participation in and promotion of the various events held in the trade areas of the eleven towns we represent. We continue to increase our membership, in large part, due to these newest initiatives, the Veterans Count, High School Golf Invitational, The EXPO, and the Leads Group and by expanding upon our core events, such as our

Business After Hours and our Annual Dinner. Our partnerships with Easter Seals and the local high schools and colleges have opened the Valley's eyes to our community commitment and, in return, our collective business goals are being met. Our future looks bright, however, our hardest work is ahead of us. We must keep the momentum going.

Message From May's Desk:

Congratulations to the men and women who we are honored to recognize at the 20th Anniversary Award Dinner this month. The most difficult, at the same time, rewarding task of any of the chamber committees is the process of selecting just one recipient for each category from among those nominated. Each spring they wrestle with the selection and this year was no different. These people represent the highest qualities of dedication, leadership, selfless giving of their time, talent and resources, commitment to the best business practices with integrity. We are so very fortunate that this is an annual challenge, for that means that those chosen are representative of their peers. And that means our communities very lucky indeed. Congratulations and thank you to each and everyone being recognized. May this always be a tough set of choices! Congratulations to our Future Business Leaders – and thank you to the schools that instruct and encourage these kids. They really have the difficult job in making those selections!

The 20th Anniversary Dinner is a time of bittersweet celebration. While we take pride and celebrate the past year – and in this case, the past 20, we have to say goodbye to some of our Board members who are completing their terms. They have served the membership well as their tenure has been marked with

growth, expansion of events and opportunities for the members, visibility and recognition for the Chamber in the Souhegan Valley. And the outreach to our civic, community and educational bodies has formed important partnerships with our events. We appreciate all of the Board members' contributions. All the hours of committee meetings, responsibilities in between taking from personal time, re-scheduling appointments to meet Chamber commitments. Thank you.

While he is not leaving the Board - we have a special "chair" for him - I can't pass up this chance to say a very big thank you to Cliff Harris for his leadership as Chairman of Board of Directors. We met for the first time in November, 2005 when I interviewed for the executive director's job. The next 2 ½ plus years have been an opportunity to work with a non-stop dynamo who never quits, is never tired, let's me complain and doesn't let me give in to it. He would have our meetings at 7 AM if I let him. His dedication to build the Chamber and make it successful is admirable. He isn't afraid to tackle any problem head on or say what has to be said. He never stops looking for ways to improve. He has earned my greatest respect and my admiration. I have frequently said, "I love this job". Well, Cliff is a big part of why that is.

Message from the Chairman

continued from page 1...

I know that Rick Boyd, chairman elect, together with the executive board will lead the Chamber to its next level. And you, the members, will provide the energy and fuel to keep them motivated. But none of this would run smoothly without one person in particular, our executive director, May Balsama. So it is to her that I give my final thanks. I've passed by the SVCC office well after the office is "closed" or on many weekends, to see her car in the yard. When I question why she is still there, she always says "I just need to get a few more things done". She is, without a doubt, the unsung hero of this organization. So May – I truly want to thank you for your dedication to the Chamber and your tireless support of me.

It has been an honor and a privilege to represent the Souhegan Valley Chamber of Commerce over these past 2 ½ years.

Check the website for information or call/email the Chamber office for a form. Please save the date of October 23 to take part.
