Souhegan Valley Chamber of Commerce Hits a Hole in One with 14th Classic

Business mixed with pleasure and a lot of local pride last week at the Souhegan Valley Chamber of Commerce 14th Annual Chamber Classic and Varsity Invitational. Student athletes from Souhegan, Milford, Hollis-Brookline and Wilton-Lyndeborough High Schools were invited to join Chamber members and guests August 21 at the Amherst Country Club. The Chamber hosted the students within their tournament to help kick off the 2008 season for the student golfers. The young athletes were able to join their "older" counterparts for the fun of meeting one another and getting in a practice round before season play begins. With a bit of rivalry thrown in, the team from First Colebrook Bank took first place honors and the SVCC Traveling Trophy for the second year in a row. Granite State Credit Union's team picked up the second place honors with Amherst NH Outdoor

Message From May's Desk:

This is the season that makes it possible to tolerate winter. The best reason – some say the only reason – to live in New England. This is the time where Mother Nature decorates her trees in celebration of the harvest. Pumpkin orange, sunflower yellow, apple red color the hills with an intensity that rivals the most respected artwork. It is the perfect season with its blend of warm days and cool nights.

It is hard not to wax poetic about autumn. We know all too well what is ahead.

We don't think of our Souhegan Valley as a magnet for tourists and leaf peepers. That, I believe is a mistake on our part. We have the Monadnocks and the fabulous trails to magnificent views. Closer by is the almost 360 degree vista from the top of the hill in Brookline that is the home of Andres Institute of Art. And you have the beauty of the sculpture on the way up. There are winding roads with little surprises where the Souhegan comes close to the road. And what is better than being able to pick your own apples and pears at one of our local farms.

Invite family and friends, co-workers to take advantage of what we have

right under our noses. We don't need to travel far to enjoy this "most wonderful time of the year". We have it all right here. You can help us to encourage more visitors to the area. Why? Well, because it brings customers for the farm stands helping our local farms stay alive. Because our visitors stop for a bite to eat at our restaurants, shop at our neighbors' stores.

Check the newspapers for listings of the variety of activities and events that fill the calendar with fall festivities every weekend. Many are fundraisers for the civic organizations that are the underpinning of our communities. There is so much to do to enjoy the fall in the Souhegan Valley. We have tried to list a couple of them in the Member Happenings. It is no where near complete to be sure. Get out and enjoy all that we have to celebrate. And it is close to home.

PS – I promise not to quote any more lyrics from my favorite songs if you get out and get involved with all the Souhegan Valley has to offer. Deal?

WHAT IS THE SEPTEMBER PROJECT?

In 2004, a group of librarians created The September Project to break the silence following September 11, and to invite all people into libraries to consider topics of patriotism, democracy, and citizenship. Initially, events focused on September 11 and largely took place on that date. As the project evolved, events spread throughout the month of September and focused on issues of freedom and democracy.

Since its inception, over 1200 public, academic, school, government, and special libraries in 35 countries have hosted and organized September Project events.

The Wadleigh Memorial Library is celebrating our second year of participation. We hope you will enjoy the diverse events we have planned for all ages. All events are free and open to the public. For more information on The September Project and some of the other activities planned in libraries across the world, see www.theseptemberproject.org

The Friends of the Library will host a Mum’s Sale on Saturday, September 13, 9-1 on the Library front lawn. We’ll have several sizes and colors available ranging in price from \$4-\$6.50. Concord Harvest Celebration

CONCORD, NH – Granite State Credit Union will host a community harvest celebration on Saturday, September 20, 2008, from 11:00am – 1:30pm at its new branch located at 311 Sheep Davis Road on Route 106 in Concord. The event, which is free to the public, will include refreshments, giveaways and prizes, as well as youth activities including a bounce house and face painting.

“We’re delighted with the reception we’ve received in Concord,” notes Denise Caristi, credit union President and CEO. “Over the years we often heard from our members that they wanted a branch north of Manchester and we’re happy to deliver. We are proud to be a part of the Concord community, and invite area residents and businesses to stop by during this celebration and meet our great Concord team.”

In addition to the new Concord Branch, Granite State Credit Union currently has locations in Manchester, Candia, Nashua, Amherst and Seabrook. In addition to its Nashua downtown location, it also maintains full-service, student-staffed branches within Nashua High School North and South and Hudson's Alvirne High School.

As a full-service financial institution for over 60 years, Granite State Credit Union serves individuals, families and businesses with membership open to anyone living or working within New Hampshire. For more information, visit www.gscu.org or call 800-645-4728.

Antiques at Mayfair Hosts August After-Hours with Whimsey's

Antiques at Mayfair hosts August After Hours with Whimsey's Gift Shoppe, Salzburg Square

A beautiful summer evening was on hand for Chamber members and Guests at our August 21 Business After Hours at Salzburg Square. Known for being a great hostess, Linda May, Antiques at Mayfair, welcomed us to the Square as the first stop on the stroll over the cobblestone street going from shop to shop. Inspired Occasions, Kristen Markara, created a wonderful array of treats accompanied by wine from Wine Berries and a selection of beer from Milford's Pennichuck Brewery.

Music by Robert Reardon and his band, Tune Town provided just the right mood for the walk up to Whimsey's for a visit with Donna-Marie Travis and a look at the new gift lines and home décor coming for fall. Samples of the specialty food products ready to add to gifts were abundant. Next stop was newest Chamber member, Karen Girardo, Just Naturals and the Farmers Market. LaBelle Winery offered tasting of their wines produced right in Amherst along with a variety of local produce.

At the top of the Square, Michael Spyradakis, owner of Salzburg Square donned his chef's hat with grill beside him and "dogs" to barbeque! A well deserved night out and break from the rains – it was a real neighborhood block party for networking and connecting.

Sports Authority First to Open at New Plaza on Route 101A

Drivers on Route 101A have been watching the progress and anticipating the opening of the businesses in the newest retail development along busy route 101A in Amherst. The wait was over on Saturday, August 16 with the Grand Opening of Sports Authority. Special deals and giveaways, raffles and refreshments brought out an early morning crowd that began gathering well before 7:00 AM. On hand to help with the Ribbon Cutting duties were Selectmen George Infanti and Brad Galinson. Chamber Board Chairman, Rick Boyd congratulated store manager, Lori Valykeo and welcomed her store and associates to the Souhegan Valley Chamber of Commerce membership. Even before arriving in town, Sports Authority stepped right up and offered sponsorship support of the Golf Classic August 21 and prizes for the Raffles. Welcome to the Souhegan Valley, Lori!
