Souhegan Valley Chamber of Commerce and Opportunity Networks are partnering to present the *First Chili Chowder Cook Off* in our area. We invite you to be part of this event as a Sponsor. Our Sponsors will be recognized in all promotion, on the websites of both organizations and in the program and placemats.

Join us in this fun competition of professional and amateur chefs. 15 area restaurant/caterers and 15 “home” chefs will provide samples of their signature chili or chowder recipes. Judges from the food industry will select a winner in “Best”. The general public will vote for the “People’s Choice” award. We are certain this will be an annual festival of food and local rivalry on the Sunday between the NFL playoffs and the Super Bowl!
