Honoring All Who Serve

Families • Neighbors • Friends

“Any time a veteran sleeps on the same streets he defended for the rest of us, we are all dishonored.”

Tammy Duckworth, Assistant Secretary for Public and Intergovernmental Affairs, VA

Veterans FIRST (Federal Investment Recognizing our Servicemen and women in Transition) began in 2004 as a program designed to help homeless veterans move on to independent living. The veterans and their families work to become self-sufficient and integrate back

into the community. The program offers a second chance for those brave individuals who have kept our nation safe and secure.

We need your help!

Veterans FIRST helps homeless veterans move on to independent living. We must raise additional funds to expand emergency housing for service members and their families in need. Our annual auction, sponsored by Harbor Homes, Inc. and the Souhegan Valley Chamber of Commerce, will include fabulous live and silent auction items.
